

# STARSHIP

## Bump & Jump/Onshore Wave

The Starship was designed for early planing, thrilling straight-line speed and easy, yet exciting, maneuverability. It rides super smooth in a wide range of conditions and allows riders the freedom to progress their skill level.

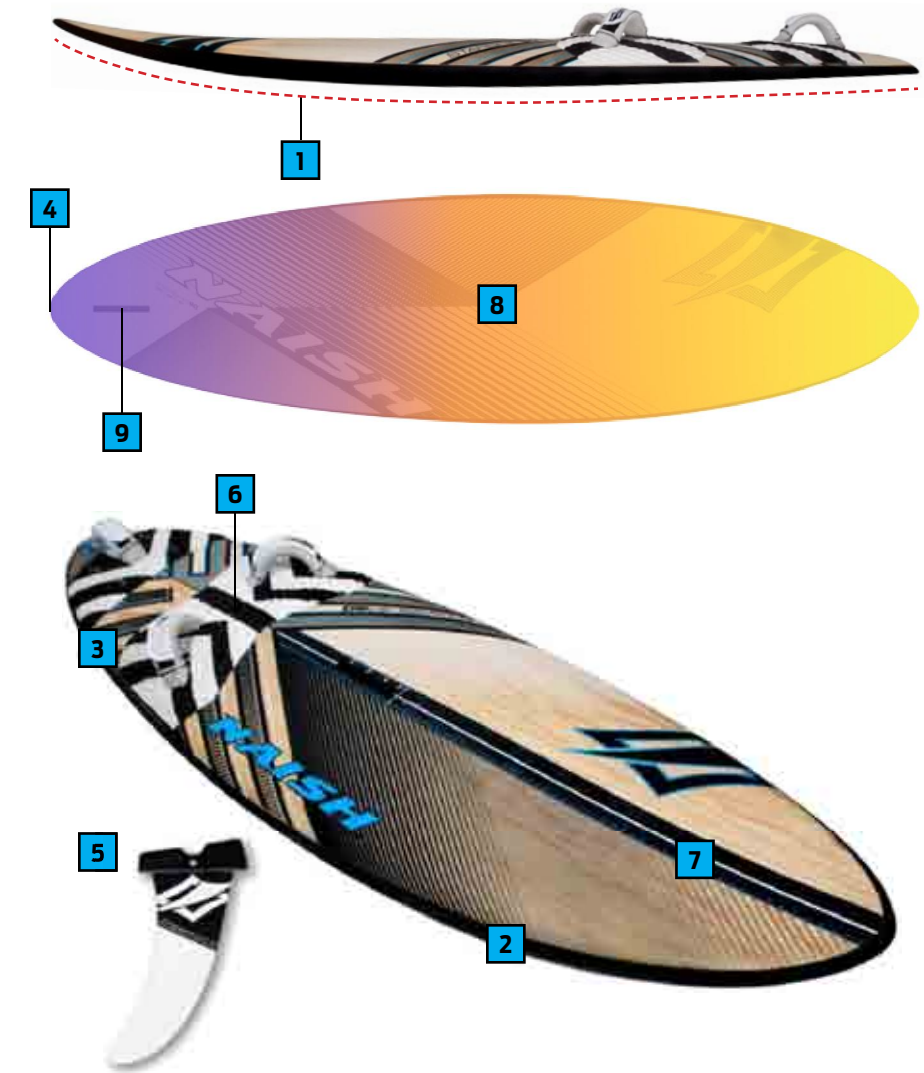

Sizes: 90, 100, 115

	Starship 90	Starship 100	Starship 115
<b>Volume</b>	90	100	115
<b>Length</b>	235	240	245
<b>Width</b>	59.7	62.3	65.6
<b>Fin Type</b>	Starship PB 28	Starship PB 32	Starship PB 32
<b>Rec. Sail Size</b>	4.0 - 6.5	4.0 - 7.0	4.5 - 7.5

## Features

- 1) Flat, Fast Rocker** = Early planing + balanced ride
- 2) Beveled Rails** = Smooth ride, softens chop + extremely forgiving in jibes
- 3) Full Rails with Tucked Under Edge** = Stability + water release for early planing
- 4) Round Pin Tail** = Extraordinary top speed + easy to initiate carving turns
- 5) Medium Density Footpads** = Comfortable ride + excellent board feel
- 6) Wide Point Carried Forward** = Stability through jibes + effortless control
- 7) Single Concave to Double Concave V to V Bottom** = Early planing + smooth ride + easy to jibe
- 8) Freemove Fin** = Early planing + upwind performance + easy jibing
- 9) Power Box** = Ultra strong + perfect fin position

## Construction

- A Glass Matrix** = Outstanding strength-to-weight ratio
- B Pine Sandwich Layer** = Maximum impact resistance + lightweight
- C HDX Sandwich Deck & Bottom** = Structural integrity + impact resistance + durability in high stress areas
- D Molded EPS Closed Cell Core** = Lightweight + resistant against potential water leakage
